4. Rational for Altering or Establishing Position

   The activities concerned with grants, contracts and funding of projects by other than state sources has increased greatly during the last two years. With the implementation of Article 21, "Research", of the AAUP/ECT collective bargaining agreement, a dramatic increase in these activities is certain. Accompanying this increased activity will be the need for further planning studies and reports. The requested position will meet the present and known future requirements in this area of research.

For Central Office Use
