Dear Jim:

I endorse enthusiastically the request of Dean Anisman concerning the naming of our Drama Lab.

Should this proposal be presented to the Planning Committee?

And can this be done in a manner that would keep it confidential until December 2?

Sincerely,

Manson Van B. Jennings
President

Dear President Jennings:

As you know, Dr. Robert Kendall intends to retire as Chairman of the Theatre Department at the end of December. During the 28 years that he has been on the Southern faculty he has been an innovator, an inspiration to students, a respected colleague, and a thoroughly dedicated professional in the cause of bringing theatre to the campus.

Dr. Kendall started the "Crescent Players" 25 years ago. He was the prime mover in the founding of the Theatre Department ten years ago. He was instrumental in finding the need for and the purpose of Lyman Auditorium.

In addition he has, of course, taught a variety of courses, directed scores of plays, and generally raised the level of appreciation of theatre in the State.

I would like to ask you and the Board of Trustees to publicly recognize Dr. Robert Kendall's contribution to the College by renaming the Drama Lab the "Robert E. Kendall Drama Lab." This would be done at a meeting of the "Crescent Players" on December 2, 1978. As this award will be a surprise to Dr. Kendall, it should be kept in confidence until that date.

Thank you for your consideration.

Sincerely,

Martu J. Anisman
Dean of Arts and Sciences
