ALTERATION OF A CURRENT POSITION OR ESTABLISHMENT OF NEW POSITION
IN THE UNCLASSIFIED SERVICE

TO: Executive Officer for Faculty and Staff Affairs

FROM: Eastern Connecticut State College, Dr. Charles R. Webb (President)

Concerning: New Position, XX Existing Position (Vacant/Filled)

1. Proposal: To reduce the present Administrator II position (vacant) within the Data Center to that of Administrator I prior to recruitment.

2. Proposed Position:
   Title/Rank: Administrator I - Computer Center Assistant

3. Summary of Function (attach required job description)
   SEE ATTACHED

4. Rationale for Altering or Establishing Position (Use additional sheets of necessary)
   Job functions have been scaled down enough to warrant the change. New center director believes that Administrator I category will permit opportunity for upward mobility by permitting the hiring of an incumbent to be trained in professional computer functions.

5. Conditions of Employment if Changed or Different from norm. (Use additional sheets if necessary)
   Position will be downgraded by one rank. It is the intention to upgrade to an administrator II when the Director believes the incumbent demonstrates skills appropriate to that class.
