Summary: Creation of a new technical position within the Media Center which reports to the Assistant Director of the Media Center. Position responsible for servicing, installing, repairing and calibrating media equipment and machinery, assisting in media productions, training staff and students and appropriate maintenance of records.

Date: May 1, 1980
Electronics Media Specialist (ADM. II)

Job Description

Under the supervision of the Assistant Director of Media Center, the Electronics Media Specialist provides services in the technical, operational, instructional, and administrative areas of the Media Center including the following:

1. Installs, maintains, tests, repairs and calibrates electronic equipment including but not limited to color television film cameras, digital switching circuits, audio and video tape recorders and any associated equipment.

2. Repairs analog and digital circuits at the individual component level.

3. Assists in the operation and production of Media Center programs as directed.

4. Trains staff and students in basic operations and repairs as necessary.

5. Prepares logs and reports and maintains records as directed.

6. Supervises student workers in Media Center operations.

7. Attends workshops and meetings as required.

8. Performs other duties and responsibilities related to duties enumerated above which do not alter the basic level of responsibility of the position.
