GENERAL CONDITIONS FOR LEASE OF SPACE

The word "PROVIDER" means the organization with the successful proposal: The Lessee.

1. An Automatic Teller Machine (ATM) will be installed in the Student Center on the campus of Eastern Connecticut State University. The ATM will be installed on the left (west) of the main entrance of the Student Center. The installation of the ATM will provide customer access from outside the Student Center. Operating and peripheral equipment associated with the ATM will be housed on the inside of the Student Center within a secure closed room. This inside room will occupy a floor space of approximately 8 x 6 feet and its design and construction will be considered part of the ATM installation. The customer operating space outside of the Student Center will be approximately 8 x 6 feet. Arrangements to view the area of installation can be made by contacting the UNIVERSITY'S Student Center Director, Mr. Kenneth Bedini (203-456-2231). The letter of proposal should include installation plans for the ATM, including the inside room construction.

2. The letter of proposal will describe the services provided by the ATM. The UNIVERSITY expects that the ATM will be connected to the Connecticut Yankee twenty-four system and the National Network "PLUS" system. The UNIVERSITY expects that the ATM will be operational 24 hours per day.

3. The UNIVERSITY will provide electricity for the ATM installation and operation. The UNIVERSITY will also provide snow, ice and rubbish removal from the outside customer access area.

4. The ATM PROVIDER will install and maintain the ATM, any associated peripheral equipment and the inside room at the PROVIDER'S expense and in accordance with plans and specifications approved beforehand by the Connecticut Department of Administrative Services--Bureau of Public Works and any applicable federal regulatory agency. The plans must be prepared by the PROVIDER and must meet the requirements of the State Building Code and State Fire Safety Code. The installation of the ATM and any necessary repairs or renovation will be provided on a timely basis so as to cause a minimum of inconvenience to the users of the ATM services. The PROVIDER will take action to insure against unauthorized access to the Student Center through the ATM installation area during installation and associated construction. Expenses involved in filing any necessary applications, permit and approvals will be borne by the ATM PROVIDER.

5. The UNIVERSITY expects that the ATM installation will assimilate the Student Center interior and exterior aesthetics.
6. The UNIVERSITY will lease the space to the PROVIDER for a 5-year period with option to renew in annual increments thereafter. The ATM PROVIDER'S compensation to the UNIVERSITY will be reviewed on an annual basis throughout the lease period. The UNIVERSITY'S compensation will be by mutual agreement between the ATM PROVIDER and the UNIVERSITY, and may change as a result of the annual review.

7. At the termination of the lease, the ATM and any associated equipment installed by the PROVIDER will be removed at the PROVIDER'S cost and expense. The ATM PROVIDER will restore the Student Center to its original condition. Any item left in the space will be left with the UNIVERSITY'S agreement and title will revert to the UNIVERSITY.

8. The ATM PROVIDER will insure itself against any liability, including liability pertaining to the activities of installation, operation, testing, repair, calibration, maintenance, alteration, modification or renovation of the ATM, its associated equipment and the inside room throughout the lease period, including the time required to restore the Student Center to its original condition.

Personnel engaged in these activities will be working for the ATM PROVIDER or subcontractor thereof. All labor relation responsibilities regarding the personnel engaged in these activities will be borne by the ATM PROVIDER or the subcontractor to the PROVIDER.

9. The letter of proposal will state the UNIVERSITY'S compensation for the lease arrangement.

10. The PROVIDER shall comply with all laws, rules, and regulations and orders of any governmental authority in carrying out the installation, maintenance and operation of the ATM.

11. The ATM shall remain the property of the PROVIDER. The UNIVERSITY shall not be liable for any damage to or loss of the ATM by reason of theft, vandalism, fire, water, power failure, accidents to or defects in plumbing, heating or for any reason or other cause whatsoever.

12. The UNIVERSITY shall not allow any other PROVIDER the privilege of installing an ATM on the UNIVERSITY campus throughout the lease period.
1. Eastern Connecticut State University's enrollment is approximately 3,500 students. Full-time enrollment is 2,500 students.

2. The number of students residing on the campus of the University is 1,300. Approximately 600 of the University's commuting students reside in the City of Willimantic.

3. The University employs a permanent staff of approximately 340. In addition, the University employs 180 temporary lecturers and 300 student workers.

4. The University's last fiscal year payroll costs exceeded $9,900,000.

5. The University's Student Activity Fund and Institutional Welfare Fund annual deposits exceed $600,000.

6. The University's contractors who operate the food service dining hall and the bookstore have informally indicated their interest in utilizing an automatic telling machine for their business operations on the University's campus.

If additional statistical data is required, please contact the University's Associate Dean for Administrative Affairs, Mr. Frederick Herbert.
