JUSTIFICATION: (Use Reverse Side If Additional Space Is Needed)

This new position is needed to computerize basic Housing information and services to provide greater efficiency in office operations and to allow the present Associate Director to devote more time to the development of a comprehensive summer conference/camp operation. At present, SCSU Housing has only two full-time professionals in the Central Housing Office. The addition of a person with residence hall, placement and computer experience will allow for better control of room rentals, resident placement, billing and inventory. In addition, assumption of some of the duties currently handled by the Associate Director will enable the Associate to develop the summer conference/camp operation. Revenues from this operation will be used to finance the new assistant position.
