A Certified True Copy:

Dallas K. Beal
President
We are requesting that Diane Golden, Coordinator of Graphic Arts and Design (Administrator III) be reclassified to Director, University Design & Production (Administrator V) effective June 6, 1986. This reclassification is appropriate because of the following new duties that the employee is required to perform:

1. Supervises centralized printing operation and staff; responsible for production volume and quality control, maintaining inventory and supplies, training and supervising student interns.
2. Coordinates ancillary duplication/printing services available to faculty on sites campus-wide.
3. Develops job specifications/descriptions, as well as prototypes required by state purchasing and new forms procedures.

See attached job description.

RESOLUTION

RESOLVED, That the position, Coordinator of Graphic Arts and Design/Administrator III at Western Ct. St. University be reclassified to Director, University Design & Production/Administrator V, effective June 6, 1986 in accordance with all provisions and expectations as set forth in the proposal dated May 16, 1986 which is attached as an addendum to this resolution.
Job Description: Director, University Design & Production / Admin.

Incumbent Name: Diane Golden

Supervisor: Executive Dean

POSITION SUMMARY:

Reporting to the Executive Dean, directs the operation of the graphic design studio and the print shop. The studio, staffed by student design majors, provides camera-ready mechanicals for institutional publications (including flyers, brochures, promotional search pieces, schedules, forms, magazines, etc.) and other related material, e.g. signage, displays, graphs, etc. The print shop, staffed by a press operator and student interns, produces 90 percent of all institutional publications.

POSITION RESPONSIBILITIES:

1. Interviews, screens and selects student designers; when necessary, acts as liaison with Financial Aid and CDC offices.

2. Trains students in design, production techniques and use of equipment. Provides on-going supervision/art direction, including final evaluation of job prior to printing.

3. Advises clients regarding copy preparation, production costs, etc. Provides specifications for printer and secures cost estimates.

4. Coordinates with printer to facilitate production and insure specifications are met and deadlines honored.

5. Directs day-to-day operational activities of studio; develops a budget, maintains an inventory, orders graphic arts and photo-chemical supplies, oversees cleaning and maintenance of equipment, keeps job logs and individual student time sheets, completes student evaluations for co-op each semester.

6. Provides technical services/products (negatives; photostatic enlargements; displays for recruitment, seminars, workshops; graphs; charts; overhead projection slides, etc.)

7. Available to administrative staff and faculty to assist in the development of marketing/recruitment programs, and also in the development of other "products" as the need arises (e.g. new forms, promotional material, magazines, annual reports, etc.)

EDUCATION AND EXPERIENCE:

Two to three years of administrative experience, college teaching or a combination of both including administrative and technical background in one or more aspects of media. A Bachelor's degree is required, a Master's degree is preferred. These qualifications may be waived for individuals with appropriate alternate experience.
