JUSTIFICATION
Recent reorganization of the instructional program necessitates bringing the descriptions in this area up to date.
Central Connecticut State University
Director of Media Services / Administrator VI
(Code )

SUPERVISOR: Dean of Instructional Services

SUPERVISION EXERCISED:

INCUMBENT NAME: Leroy Temple

POSITION SUMMARY:

The Director of Media assumes the primary responsibility for instituting instructional media strategies, supervising comprehensive support services and appropriate technology to directly support all academic programs within the University. In addition, the Director supports and works with administrative programs and activities in research and grant development.

The educational program under the responsibility of the Media Director is designed to prepare media professionals for administrative leadership positions at all levels of education, government and industry.

POSITION RESPONSIBILITIES:

Supervise a central "materials center" and library serving all the departments within the University.

Supervise the organization and operation of equipment and materials within all departments.

Determine present and future equipment and materials needs of the University for purchase or rental.

Keep records and reports of materials, equipment and their use.

Select and purchase new materials and equipment.

Make reports to the University administration concerning the operation and needs of the Media Center.

Dissemination of new developments, materials and equipment in the field of educational communication to university community.

Administer budget for Media Center.

Evaluate effectiveness of all Media Center services.

Supervise the operation of the Media Office.

Plan and carry on an in-service teacher training program.

Organize and make available a catalog on Resources available for education
Engage in educational research and material utilization.

Program and thesis advisor for graduate work.

Design, develop and teach new courses in technological media.

Produce or supervise production of certain materials (slides, exhibits, recordings, photographs, motion pictures, radio programs, etc.)

Assist in curriculum planning.

Performs other duties and responsibilities related to those enumerated above which do not alter the basic level of responsibility of the position.

EDUCATION AND EXPERIENCE

A Master's degree and five years of experience in instructional media including formulation and implementation of media policy and staff supervision required. These qualifications may be waived for individuals with appropriate alternate experience.

SPECIAL NOTATIONS:
Position Title: Director of Media Services

Rank: Administrator 6

Department: Media Services

Supervisor's Title: Associate Vice president for Academic Affairs

POSITION SUMMARY

Supervises the provision of media services and related technological support for all academic and administrative programs of the University.

POSITION RESPONSIBILITIES

Supervises and organizes the media materials, service and equipment center of the University for use by all departments.

Supervises and coordinates the production of video and multimedia programs (including radio, television and graphics materials) for promotional and instructional purposes throughout the University.

Supervises the selection and purchase of new materials and equipment for the media center.

Prepares and administers media center budget.

Participates in planning for and supervises the production of media services for University-sponsored and public events.

Works with all members of the University to ensure effective utilization of media materials, including programs on media and related technology applications.

Performs other duties and responsibilities related to those enumerated above which do not alter the basic level of responsibility of the position.

QUALIFICATIONS

Master's degree and five years' experience in instructional media including formulation and implementation of media policy and staff supervision required.
