POSITION TITLE: Coordinator, Northeast Technology Education Consortium

RANK: Administrator IV

DEPARTMENT: School of Technology

SUPERVISOR: Dean, School of Technology

POSITION SUMMARY:

Implements and administers the Northeast Technology Education Consortium (NETEC) grant.

POSITION RESPONSIBILITIES:

Coordinates and establishes national demonstration sites for Technology Education in selected public school systems consistent with the goals established under the terms of the grant award.

Conducts needs analyses for selected public schools in the areas of technology education facility support, curriculum design and instructional methodology.

Arranges for consultant services to assist in the development of transition to and implementation of technology education programs. Recruits faculty from regional universities to perform consulting services in support of the NETEC program.

Coordinates and oversees the activities of consultants to ensure delivery of services consistent with the NETEC grant.

Collects and distributes donated instructional equipment for program support to each project site.

Administers grant activities and expenditures related to the grant. Prepares fiscal reports on the status of grant funds, progress reports for the U.S. Office of Education and related reports as requested.

Performs other duties and responsibilities related to those enumerated above which do not alter the basic level of responsibility of the position.
EDUCATION AND EXPERIENCE:

Five years of experience as a teacher or supervisor of technology education; experience in curriculum development and in-service training in technology education, demonstrated skills in grants administration at the state or national level and a Bachelor's Degree in Industrial Art or Technology Education required. A Master’s degree in Industrial Art or Technology Education is preferred.

( ) approved
( ) disapproved

DATE

DATE OF BOARD APPROVAL

DATE OF BOARD DISAPPROVAL
Donna,

Have discussed the matter of the Proposed position of Director, Northeast Technology Education Consortium with Joel Schweidel this afternoon.

We are agreed the position should carry a salary range of $37,734 to $39,000. We understand a higher salary would be impossible under the grant.

We are further agreed the Rank will be at Administrator IV. Finally, we have agreed that if an incumbent remains after the expiration date of the grant, which we understand to be September 30, 1992, the parties will seriously consider an increase in rank to Administrator V.

It is my intention to show this memorandum to the members of the PERCommittee pursuant to my agreement with them. You may fill the GRANT FUNDED position immediately (The grant was effective last October) in order to effectuate the purposes of the grant promptly.

David C. Newton
Vice President for Personnel
