

P20 WIN ATTACHMENTS A & B – DATA ELEMENTS FOR QUERY BY IMPACTED AGENCY & PURPOSE CROSSWALK - BOR

Attachment A: Provide the name of each element from each data source including elements needed to link data sets. Identify the values of each elements code sets that are necessary. Add as many rows as necessary

Attachment B: Provide a crosswalk for each data element requested and describe how it relates to the purpose of the query. List each data element once with only one data element per row. Add as many rows as necessary. P20 WIN element names can be found here:

P20 WIN Query Number: [P20W_1407_2_0004](#)

CT Board of Regents for Higher Ed.					
Data Element Name	Definition	Code Set value to be included	Other Qualifier	Related Research / Policy Question	Explain how this element relates to the Research Question
Last Name	Last name of student	n/a		PII for matching only. Not used in data set for analysis	needed for matching records between data sets at BOR and with DOL
First Name	First name of student	n/a		PII for matching only. Not used in data set for analysis	needed for matching records between data sets at BOR and with DOL
Gender	Gender of student	all		Evaluation of postsecondary credentials by examining employment and wage outcomes prior to and post completion as well as relevance to industry of employment - where feasible. (a.k.a. PRI request)	needed to disaggregate by gender
Social Security Number	Social Security Administration Number of the student	n/a		PII for matching only. Not used in data set for analysis	needed for matching records between data sets at BOR and with DOL
Race Amer. Indian Alaskan	A person having origins in any of the original peoples of North and South America (including Central America) and who maintains cultural	all		PRI Request - see above	Demographic data for data aggregation
Race Asian	A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent. This area includes, for example,	all		PRI Request - see above	This is demographic data, and the question required controlling for
Race Black	A person having origins in any of the black racial groups of Africa.	all		PRI Request - see above	This is demographic data, and the question required controlling for
Race Hawaiian Pacific	A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.	all		PRI Request - see above	This is demographic data, and the question required controlling for
Race No Response	Race not mentioned	all		PRI Request - see above	This is demographic data, and the question required controlling for
Race Other	Race other than American Indian or Alaskan/Asian/Black/Hawaiian or Pacific Islander/White	all		PRI Request - see above	This is demographic data, and the question required controlling for
Race White	A person having origins in any of the original peoples of Europe, Middle East, or North Africa	all		PRI Request - see above	This is demographic data, and the question required controlling for
Ethnicity Hispanic	An indication that the person traces his or her origin or descent to Mexico, Puerto Rico, Cuba, Central and South America, and other Spanish cultures	all		PRI Request - see above	This is demographic data, and the question required controlling for
Institution Code	This is the Institution number. Each number pertains to a different CC/CSU campus.	all		PRI Request - see above	needed to disaggregate by institution
Institution Name	Name of the Institution. Eg. Central University, etc.,	all		PRI Request - see above	needed to disaggregate by institution
Grad_Date	Graduation date	all		PRI Request - see above	Graduation dates are necessary to identify employment that occurred after graduation
Degree Code	Community College Unique Degree Code to identify the degrees offered. AS = Associate in Science CERT = Certificate AA = Associate in Arts 000000 = Undeclared AAS = Associate in Applied Science	all		PRI Request - see above	needed to identify the education program.
Degree Code Description	The type of degree associated with Program.	all		PRI Request - see above	needed to identify the education program.
Major Code	Major as identified at the time of registration. Could Change each semester or as the student changes their major. (e.g. FA43; GA66)	all		PRI Request - see above	needed to identify the education program.
Major Code Description	Description of the Major. (e.g. Broadcast Communications; Bus Mgt; Bank Mgt)	all		PRI Request - see above	needed to identify the education program.
CIP Code of Major	The CIP code that applies to the major. The Classification of Instructional Program (CIP) codes are six-digit codes in the	all		PRI Request - see above	needed to identify the education program.

CT Board of Regents for Higher Ed.

Data Element Name	Definition	Code Set value to be included	Other Qualifier	Related Research / Policy Question	Explain how this element relates to the Research Question
CIP Code Description	Classification of Instructional Program Code	all		PRI Request - see above	needed to identify the education program.
CT Major (aka CT_Program_ID)	<u>aligned with OHE (DHE) codes</u> A 7 letter Program code that uniquely identifies a program offered	all		PRI Request - see above	needed to identify the education program.
CT Major Code Description (aka CT_Program_ProgramName)	<u>aligned with OHE (DHE) codes</u> Name of the Program offered. Unique to each institution	all		PRI Request - see above	needed to identify the education program.
CT Major CIP (aka CT_Program_CIP_Code)	<u>aligned with OHE (DHE) codes</u> CIP code that is aligned with OHE major code	all		PRI Request - see above	needed to identify the education program.
First Class Term Code	The first term in which a student took a course for credit.	all		PRI Request - see above	necessary to determine when an individual began an education program so that information about the individuals employment status prior to program enrollment can be determined.
Academic Year Description	Provides the academic year for the record (aka 2012-2013)	all		PRI Request - see above	necessary to determine to which academic year the record applies

Attachment A: Provide the name of each element from each data source including elements needed to link data sets. Identify the values of each elements code sets that are necessary. Add as many rows as
Attachment B: Provide a crosswalk for each data element requested and describe how it relates to the purpose of the query. List each data element once with only one data element per row. Add as many rows as
