

## CSCU Working Group Charge

### Banner and Technology Transition Team (BATTT)

**Group Name:** Banner and Technology Transition Team

**Group Charge:**

- Make recommendations for academic and student affairs policy, business process, and work flow procedures that are required for the design, implementation, maintenance, and coordination of a consolidated Enterprise Resource Planning (ERP) and Student Information System for the one College. This includes, but is not limited to the Banner Student, Finance, Human Resource and Financial Aid Systems, Blackboard, the myCommNet portal, Degree Works, and software applications for the Guided Pathways initiative.
- Determine resource, capacity needs and timelines for planning and implementing the Banner ERP system and associated technology in the one college, including but not limited to the constellation of software previously mentioned.
- Determine resource and capacity needs for ongoing and routine maintenance support for all products.
- Work closely with Students First Academic and Student Affairs Consolidation Committee, Guided Pathways Task Force and Transfer and Articulation Policy leads and with CSCU Business Information Systems, Student / Academic Information Services, Financial Aid Services, Finance Services, Human Resources Services, and related councils, partners and stakeholders.

**Group Leads:** Two BATTT Managers; BATTT Manager. BATTT reports and makes recommendations to the College Consolidation Implementation Committee through either the Students First Academic and Student Affairs Consolidation Committee or the Guided Pathways Task Force as appropriate.

**Group Membership:** Members should include faculty, staff, and administrators from the CSCU community colleges, CSCU System Office staff, and other related stakeholders as determined by the group leads in conjunction with the CSCU Provost.

Charged by Jane Gates,  
CSCU Provost and Senior VP Academic & Student Affairs
