## Changes

Changes from AY 2016/2017, when the CSCU Pathway Transfer A.A. Degree: Chemistry Studies was first offered.

- SCSU made changes to their LEP and foreign language requirements that do not affect the requirements for the community college pathway degree, but may affect the way the student is received at SCSU.
- Clarified Additional General Education I \& II options.
- Corrections made to COSC General Education requirements: added IDS 101.
