1. Dr. Michael Gargano, Provost and Senior Vice President for Academic Affairs - His vision regarding early college program efforts

2. Results of 2014 Legislative Session:
   a. Early College Funding – Impact on planned initiatives
   b. Implication of HB – 5597 for Steering Committee Work

3. Planning for 2015 Legislative Session - strategize about how to educate the legislature and advocate for a more robust commitment to early college.

4. NACEP Accreditation Process: Debrief on the May 9th events and talk about next steps regarding the first NACEP accreditation cohort

5. Initiate and set the goals for a sub-committee of the Steering Committee to work on a draft policy on dual enrollment for CT.

6. Outline contours of data collection to measure and inform early college program development (to be handed off to the data sub-committee).

7. Discuss Northwestern CC's concern regarding how to promote the granting of high school credit for college courses taken by high school students. What role can the Steering Committee play in advocating for this statewide?
