SECTION I - SCOPE

This contract is entered into by and between ICF Incorporated, LLC ("Contractor" or "ICF") and Connecticut’s Board of Regents for Higher Education ("BOR" or "Agency") on behalf of the Community-Technical Colleges. The Contractor shall provide third party review of grant outcomes and deliverables for federal, state, private and other grants ("projects"), on an as-needed basis upon request of the BOR. The Contractor may also provide grant writing assistance for evaluation plans to be included in grant proposals upon request of the BOR.

1. Contractor shall provide services that will generally include, but not be limited to:

      ii. Meet with grant staff at participating colleges to discuss grant deliverables and outcomes; program implementation and milestones achieved.
      iii. Review existing data, and develop and implement new data collection procedures. Depending on the nature of the project, processes may include site visits, interviews, focus groups, observations, professional development evaluations, surveys, and assessment data.
      iv. Implement data collection based upon developed and mutually agreed upon procedures.
      v. Conduct interviews and/or surveys with program participants, faculty, staff, and employers and/or college industry advisory groups.
      vi. Analyze collected data. The most appropriate data analysis techniques for each project shall be determined based upon the project’s unique characteristics.
      vii. Document and report progress of services to the grant’s Project Director or Project Advisory Council on an agreed-upon schedule.

   The Community-Technical Colleges have, individually and as part of multi-institution consortia, been awarded multiple federal, state, private and other grants. The number, scope, and complexity of future funding opportunities or future grant awards cannot be predicted. As funding opportunities or grant awards become available, the BOR may request that ICF submit project-specific proposals including a work plan, the required number of hours for completion of work, and a project-specific fee structure and budget. The BOR reserves the right to request proposals from multiple contractors, and to award work on future projects in any manner deemed to be in its own best interest. This contract does not guarantee a specific amount of business or income.

3. Statement of Work

   (a) Prior to commencement of any services, the BOR and the Contractor shall execute a detailed Statement of Work ("SOW") for each project engagement requested by the BOR. Each SOW shall include, but not be limited to, the following:

5. Family Educational Rights and Privacy Act (FERPA)

In the event that any future third party evaluator project includes the review of student information and education records, the following provisions I.5.(a) through I.5.xi shall be completed and included as a part of the SOW:

(a) **ICF** agrees that certain student information and education records, ("Education Records"), in whole or in part, that include personally identifiable information (PII) are subject to the guidelines provided in Section 34 C.F.R. §§ 99.1 et seq. of the Federal Regulations adopted pursuant to the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g (FERPA) and **ICF** agrees that it will utilize such Education Records only to perform the services required by this Agreement and for no other purpose. To ensure that BOR has direct control over **ICF**'s use and maintenance of Education Records consistent with FERPA, the parties hereby agree as follows:
i. BOR agrees to allow ICF access only to those portions of Education Records for which ICF has a legitimate educational interest and solely for the purpose of completing the work outlined in the Contract. Specifically, access shall be limited to the following:

ii. ICF agrees and acknowledges that Education Records are protected by and subject to the requirements of FERPA. ICF shall keep such Education Records strictly confidential and recognizes that it shall not re-disclose such Education Records without the express written consent of the BOR. Further, ICF agrees that it will remain current with applicable FERPA requirements.

iii. ICF agrees to access and use the Education Records solely for the purpose of completing the tasks agreed to in the Agreement, and that all reports, data, studies, and analyses created by ICF pursuant to the Agreement are the sole property of BOR and will not be disclosed by ICF to anyone but BOR.

iv. ICF agrees that BOR must fully comply with the requirements of FERPA. Therefore, BOR reserves the right to refuse to disclose records when BOR deems such disclosure may violate the requirements of FERPA and its regulations. ICF agrees that its use and access to Education Records is within the BOR's sole discretion and that BOR shall completely control ICF's use of and access to such records;

ICF expressly agrees to:

1) Limit access to the Education Records to ICF employees who have a legitimate educational interest in the information and identify those individuals.

2) Prohibit disclosure of Education Records.

3) Require all of its subcontractors and agents that receive, use or have access to the Education Records to implement reasonable and appropriate security safeguards to protect Education Records and make those subcontractors agreements available for review upon request.

4) Return to BOR all confidential information and destroy Education Records under its control at the termination or expiration of the contract.

v. ICF agrees to implement and maintain a comprehensive data-security program for the protection of Education Records disclosed pursuant to the Agreement. ICF agrees that its data security program shall be consistent with and comply with standards no less rigorous than those set forth in all applicable federal and state laws, regulations, and business guidance issued by the Department of Education and Federal Trade Commission to protect data from unauthorized access, destruction, use, modification or disclosure. Such data security program shall include, but not be limited to the following:

1) A security policy for employees related to the storage, access and transportation of data containing Education Records;

2) Reasonable restrictions on access to records containing Education Records, including access to any locked storage where such records are kept;

3) A process for reviewing policies and security measures at least annually;

4) Creating secure access controls to Education Records, including but not limited to passwords and encryption techniques, to preserve the confidentiality and integrity of all Education Records; and,
5) Prohibiting any downloading or storage of Education Records to individual user desktops, mobile or storage devices.

vi. ICF names the following individual as the custodian of Education Records: 

vii. ICF agrees that it shall comply with the requirements of FERPA and its regulations regarding the destruction and disclosure of student information. ICF agrees to destroy all Education Records obtained from the above-referenced education records as soon as all analysis has been performed, or when the information is no longer needed, whichever date comes first. ICF agrees that all versions of such information and data, electronic, paper, or otherwise, will be destroyed pursuant to Department of Defense data destruction standards, not to include the physical destruction of the hard drives, and that ICF will provide BOR with written confirmation of the destruction of the data. ICF agrees it will not share, sell, rent, use or disclose Education Records with or to any third parties without the express written consent of BOR.

viii. In the event of a data breach, ICF shall promptly notify BOR of such breach. The parties agree that a data breach shall (i) have occurred upon any actual, probable, or reasonably suspected misuse, compromise or unauthorized access of Education Records; or (ii) presumably occurred upon discovery of a physical trespass of a secure area, electronic systems intrusion or hacking, loss or theft of notebook, desktop or other electronic mobile device, hard drive or information storage device, loss or theft of printed materials, receipt of complaint of violation of privacy policies.

1) BOR reserves the right to immediately suspend data transmission between the parties in the event of a breach until ICF can demonstrate that it has remedied the cause of the breach.

2) BOR reserves the right to investigate or require ICF to conduct an investigation and report of the breach, at its own expense.

3) BOR reserves the right to manage and mitigate the impact of any breach; however, ICF shall be solely responsible for any costs associated with a breach, including those related to managing and mitigating the impact of such breach.

ix. BOR reserves the right to monitor ICF to affirm that ICF has the appropriate policies and practices in place to ensure the protection of Education Records. BOR reserves the right to perform audits at its expense to the extent necessary to ensure compliance with the terms of this agreement. ICF agrees to cooperate in the performance of such audits.

x. If required to disclose Education Records by law, ICF shall immediately provide BOR notice so that BOR may seek a protective order.

xi. These provisions shall survive the termination, cancellation or expiration of the contract.

(c) Payment shall be made by the BOR to the Contractor within 45 days after receipt of properly executed and approved invoices.

SECTION III - OTHER TERMS AND CONDITIONS

1. Claims Against The State:
The Contractor agrees that the sole and exclusive means for the presentation of any claim against the State arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and the Contractor further agrees not to initiate legal proceedings in any state or federal court in addition to, or in lieu of, said Chapter 53 proceedings.

2. Indemnification and Insurance:
(a) The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the “Acts”) of the Contractor or contractor parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys’ and other professionals’ fees, arising, directly or indirectly, in connection with claims, Acts or the contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Contractor’s obligations under this section to indemnify, defend and hold harmless against claims includes claims concerning confidentiality of any part of or all of the Contractor’s bid, proposal or any records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance.

(b) The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any third party acting under the direct control or supervision of the State.

(c) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any contractor parties. The State shall give the Contractor reasonable notice of any such claims.

(d) The Contractor’s duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the claims.

(e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall cause the State to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to the Client Agency prior to the Effective Date of the Contract evidencing that the State is an additional insured. The Contractor shall not begin Performance until the delivery of these 3 documents to the Client Agency. State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that State is contributarily negligent.

(f) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

3. Sovereign Immunity:
The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this section conflicts with any other section, this section shall govern.
4. Forum and Choice of Law:
The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

5. Termination:
(a) Notwithstanding any provisions in this contract, the Agency, through a duly authorized employee, may terminate the contract whenever the Agency makes a written determination that such termination is in the best interests of the State. The Agency shall notify the Contractor in writing of termination pursuant to this section, which notice shall specify the effective date of termination and the extent to which the Contractor must complete its performance under the contract prior to such date.
(b) Notwithstanding any provisions in this contract, the Agency, through a duly authorized employee, may, after making a written determination that the Contractor has breached the contract, terminate the contract in accordance with the following breach provision.
   i. Breach. If either party breaches the contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) days from the date that the breaching party receives the notice. In the case of a Contractor breach, any other time period which the Agency sets forth in the notice shall trump the ten (10) days. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective contract termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the termination date, no further action shall be required of any party to effect the termination as of the stated date. If the notice does not set forth an effective contract termination date, then the non-breaching party may terminate the contract by giving the breaching party no less than twenty four (24) hours’ prior written notice. If the Agency believes that the Contractor has not performed according to the contract, the Agency may withhold payment in whole or in part pending resolution of the performance issue, provided that the Agency notifies the Contractor in writing prior to the date that the payment would have been due.
(c) The Agency shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the Agency for purposes of correspondence, or by hand delivery. Upon receiving the notice from the Agency, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all Agency records. The records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the termination of the contract or fifteen (15) days after the Contractor receives a written request from the Agency for the records. The Contractor shall deliver those records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
(d) Upon receipt of a written notice of termination from the Agency, the Contractor shall cease operations as the Agency directs in the notice, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection, and preservation of the goods and any other property. Except for any work which the Agency directs the Contractor to perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.
(e) The Agency shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its performance rendered and accepted by the Agency in accordance with the terms of this contract, in addition to all actual and reasonable costs incurred after termination in completing those portions of the
performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the Agency is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the Agency, the Contractor shall assign to the Agency, or any replacement Contractor which the Agency designates, all subcontracts, purchase orders and other commitments, deliver to the Agency all records and other information pertaining to its performance, and remove from State premises, whether leased or owned, all of Contractor’s property, equipment, waste material and rubbish related to its performance, all as the Agency may request.

(f) For breach or violation of any of the provisions in the section concerning representations and warranties, the Agency may terminate the contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor parties or any third party.

(g) Upon termination of the contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements and rights of the parties under the contract shall survive such termination to the extent not otherwise limited in the contract and without each one of them having to be specifically mentioned in the contract.

(h) Termination of the contract pursuant to this section shall not be deemed to be a breach of contract by the Agency.

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties: Up to $2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to $2,000 or twice the amount of the prohibited contributions made by their principals.
