

# Be Counted Connecticut

**Census 2010 is an opportunity for Connecticut to tell the world who we are - a diverse and dynamic population.**

- Regardless of your age or citizenship status, every person must be counted.
- Federal law mandates that all responses be kept confidential.

## **Be proud of the state you live in.**

- Census will bring in billions of dollars to Connecticut each year for education, transportation, public safety, healthcare and social services.
- Do your part to ensure that Connecticut receives all the federal funding that it deserves.
