II. The Board of Regents for Higher Education

The seventeen Connecticut State Colleges and Universities institutions are governed by the State of Connecticut BOR. The twelve community colleges, four state universities and Charter Oak College, the state's online college, offer students an affordable, accessible option to further their education or career training. The current college and university enrollment is approximately 95,000 students.

Connecticut's twelve two-year public colleges share a mission to make educational excellence and the opportunity for lifelong learning affordable and accessible to all Connecticut citizens. The colleges support the economic growth of the state through programs that supply business and industry with a skilled, well-trained work force.

Charter Oak College offers bachelor's and associate's degree completion programs for adults in a dynamic online community of learners. Charter Oak offers degree completion programs in a number of high-demand fields including business, health care, public safety, information systems and more.

The four comprehensive state universities are Central Connecticut State University, Eastern Connecticut State University, Southern Connecticut State University, and Western Connecticut State University. These institutions offer undergraduate and graduate instruction leading to degrees in the liberal arts, sciences, fine arts, applied fields and professional disciplines. They advance and extend knowledge, learning and culture while preparing students to enter the workforce and to contribute to the civic life of Connecticut’s diverse communities. To ensure access and diversity and to meet the needs of a broad range of students, the schools provide varying living and learning environments, from rural residential campuses to urban locations and online instruction.

In fall 2012, a total of 34,947 students were enrolled in the four state universities, with a full-
time equivalence (FTE) of 29,353. Of these students, 73% were enrolled on a full-time basis, 84% were undergraduates and 94% were Connecticut residents. These enrollment levels have begun to decline from the record set in fall 2010 of 36,629 headcount (29,603 FTE), reflecting state wide demographic trends. Recent State of Connecticut Department of Education public school enrollment statistics can be viewed under the enrollment section of the Department of Education web site: http://sdeportal.ct.gov/Cedar/WEB/ct_report/DTHome.aspx

CONTRACT COMPLIANCE REGULATIONS

NOTIFICATION TO BIDDERS

(Revised 09/17/07)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81(f)(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

INSTRUCTIONS AND OTHER INFORMATION

The following BIDDER CONTRACT COMPLIANCE MONITORING REPORT must be completed in full, signed, and submitted with the bid for this contract. The contract awarding agency and the Commission on Human Rights and Opportunities will use the information contained thereon to determine the bidders compliance to Sections 4a-60 and 4a-60a CONN. GEN. STAT., and Sections 46a-68j-23 of the Regulations of Connecticut State Agencies regarding equal employment opportunity, and the bidder’s good faith efforts to include minority business enterprises as subcontractors and suppliers for the work of the contract.
