I. Project Intent

The Board of Regents for Higher Education (the Board) is seeking proposals from experienced and qualified consultants to assist in creating an integrated strategic plan for the Connecticut State Colleges and Universities, linking the vision, priorities, people, and facilities in a process of evaluation, decision making and action, to guide the system as it transforms toward a more integrated organization that can both offer more affordable and innovative programs for its students and contribute to the economic growth of Connecticut.

II. The Board of Regents for Higher Education and its Constituent Units

The Board of Regents for Higher Education serves as the governing body for the regional community-technical college system, the Connecticut State University System and Charter Oak State College pursuant to Subsection (a) of Section 211 of PA 11-48. On January 1, 2012, the Board of Regents is also authorized to act, as necessary, as the Board of Trustees for the Community-Technical Colleges, the Board of Trustees for the Connecticut State University System and the Board for State Academic Awards (which is the Board for Charter Oak State College) pursuant to sections 10a-71, 10a-88 and 10a-143 of the Connecticut General Statutes, as amended. The specific powers and duties of the Board are prescribed in Title 10a of the Connecticut General Statutes and are further delineated in policies adopted by the Board from time to time.

Collectively known as ConnSCU or CSCU, the Connecticut State Colleges and Universities maintain distinct mission statements to serve their constituents while collectively working to achieve a system-wide vision and mission. The current college and university enrollment exceeds 90,000 students.

Connecticut Community Colleges
The twelve Connecticut Community Colleges share a mission to make excellent higher education and lifelong learning affordable and accessible. Through unique and comprehensive degree and certificate programs, non-credit life-long learning opportunities and job skills training programs, they advance student aspirations to earn career-oriented degrees and certificates and to pursue their further education. The Colleges nurture student learning and success to transform students and equip them to contribute to the economic, intellectual, civic, cultural and social well-being of their communities. In doing so, the Colleges support the state, its businesses and other enterprises and its citizens with a skilled, well-trained and educated workforce.

Charter Oak State College
Charter Oak State College, the state's only public, online, degree-granting institution, provides affordable, diverse and alternative opportunities for adults to earn undergraduate and graduate degrees and certificates. The College's mission is to validate learning acquired through traditional and non-traditional experiences, including its own courses. The college rigorously upholds standards of high quality and seeks to inspire adults with the self-enrichment potential of non-traditional higher education.
Connecticut State Universities
The four Connecticut State Universities offer exemplary and affordable undergraduate and graduate instruction leading to degrees in the liberal arts, sciences, fine arts, applied fields, and professional disciplines. They advance and extend knowledge, research, learning and culture while preparing students to enter the workforce and to contribute to the civic life of Connecticut’s communities. Through a variety of living and learning environments, the Universities ensure access and diversity to meet the needs of a broad range of students. They support an atmosphere of inter-campus learning, the exploration of technological and global influences and the application of knowledge to promote economic growth and social justice.

More detailed information about the Board of Regents and each Connecticut State College or University may be found by visiting the Regents website www.ct.edu and additionally the “Stats & Facts” site: http://www.ct.edu/about/stats

III. SCOPE OF PROJECT

In 2011 a merger of seventeen Connecticut State Colleges and Universities created an interdependent system of three formerly independent organizations: the regional community-technical college system, the Connecticut State University System and Charter Oak State College. The Board of Regents is developing a transformational plan to achieve the system’s comprehensive vision and mission, and to establish the system as an economic engine for the State of Connecticut.

Our Vision for CSCU
The Connecticut State Colleges & Universities will continually increase the number of students completing personally and professionally rewarding academic programs.

CSCU’s Mission
The Connecticut State Colleges & Universities (CSCU) contribute to the creation of knowledge and the economic growth of the state of Connecticut by providing affordable, innovative, and rigorous programs. Our learning environments transform students and facilitate an ever increasing number of individuals to achieve their personal and career goals.

The Board has established five goals by which to measure its current vision and mission:

1. A Successful First Year – Increase the number of students who successfully complete a first year of college.
2. Student Success – Graduate more students with the knowledge and skills to achieve their life and career goal.
3. Affordability and Sustainability – Maximize access to higher education by making attendance affordable and our institutions financially sustainable.
4. Innovation and Economic Growth – Create educational environments that cultivate innovation and prepare students for successful careers in a fast changing world.
5. Equity – Eliminate achievement disparities among different ethnic/racial, economic, and gender groups.

Additionally, Governor Dannel P. Malloy recently proposed a plan for investment in the system: “Transform CSCU 2020.” The proposed plan would provide initial funding to help bring all 17 campuses of Connecticut’s state university and college system into a single, student-centered, technology rich-system.
GOALS AND OBJECTIVES:

The selected consultant will possess the skill, experience, and ability to support and guide CSCU leadership in successfully achieving system transformation, through the following activities:

1. Evaluation of the system, review of current initiatives, assessment of current strengths and identification of challenges, understanding of existing culture
2. Assist in establishing an executive steering committee and in identifying a program manager
3. Establishment of priorities, milestones, near and long term goals
4. Building system-wide stakeholder support for the transformation
5. Identification of potential sources of funding and support and risk assessments
6. Guidance through a process to establish vision and goals consistent with mission and fostering transformation
7. Development of a project management office to provide expert leadership and guidance over the execution of the transformation strategy and training for key project leaders
8. Creation of a comprehensive transformation strategy and implementation plan

CONTRACT COMPLIANCE REGULATIONS

NOTIFICATION TO BIDDERS

(Revised 09/17/07)

The contract to be awarded is subject to contract compliance requirements mandated by Sections 4a-60 and 4a-60a of the Connecticut General Statutes; and, when the awarding agency is the State, Sections 46a-71(d) and 46a-81f(d) of the Connecticut General Statutes. There are Contract Compliance Regulations codified at Section 46a-68j-21 through 43 of the Regulations of Connecticut State Agencies, which establish a procedure for awarding all contracts covered by Sections 4a-60 and 46a-71(d) of the Connecticut General Statutes.

According to Section 46a-68j-30(9) of the Contract Compliance Regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4a-60 of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets belong to a person or persons: “(1) Who are active in daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprise; and (3) who are members of a minority, as such term is defined in subsection (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “(1) Black Americans . . . (2) Hispanic Americans . . . (3) persons who have origins in the Iberian Peninsula . . . (4) Women . . . (5) Asian Pacific Americans and Pacific Islanders; (6) American Indians . . .” An individual with a disability is also a minority business enterprise as provided by Section 4a-60g of the Connecticut General Statutes. The above definitions apply to the contract compliance requirements by virtue of Section 46a-68j-21(11) of the Contract Compliance Regulations.

The awarding agency will consider the following factors when reviewing the bidder’s qualifications under the contract compliance requirements:

(a) the bidder’s success in implementing an affirmative action plan;
(b) the bidder’s success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the Administrative Regulations of Connecticut State Agencies, inclusive;
(c) the bidder’s promise to develop and implement a successful affirmative action plan;
(d) the bidder’s submission of employment statistics contained in the “Employment Information Form”, indicating that the composition of its workforce is at or near parity when compared to the racial and sexual composition of the workforce in the relevant labor market area; and
(e) the bidder’s promise to set aside a portion of the contract for legitimate minority business enterprises. See Section 46a-68j-30(10)(E) of the Contract Compliance Regulations.

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall knowingly solicit contributions from the state contractor’s or prospective state contractor’s employees or from a subcontractor or principals of the subcontractor on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Contract Provisions

1. Claims Against The State:
The Contractor agrees that the sole and exclusive means for the presentation of any claim against the State arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State) and the Contractor further agrees not to initiate legal proceedings in any state or federal court in addition to, or in lieu of, said Chapter 53 proceedings.

2. Indemnification and Insurance:
   (a) The Contractor shall indemnify, defend and hold harmless the State and its officers, representatives, agents, servants, employees, successors and assigns from and against any and all (1) claims arising, directly or indirectly, in connection with the Contract, including the acts of commission or omission (collectively, the “Acts”) of the Contractor or contractor parties; and (2) liabilities, damages, losses, costs and expenses, including but not limited to, attorneys’ and other professionals’ fees, arising, directly or indirectly, in connection with claims, Acts or the contract. The Contractor shall use counsel reasonably acceptable to the State in carrying out its obligations under this section. The Contractor’s obligations under this section to indemnify, defend and hold harmless against claims includes claims concerning confidentiality of any part of or all of the Contractor’s bid, proposal or any records, any intellectual property rights, other proprietary rights of any person or entity, copyrighted or uncopyrighted compositions, secret processes, patented or unpatented inventions, articles or appliances furnished or used in the performance.
   (b) The Contractor shall not be responsible for indemnifying or holding the State harmless from any liability arising due to the negligence of the State or any third party acting under the direct control or supervision of the State.
   (c) The Contractor shall reimburse the State for any and all damages to the real or personal property of the State caused by the Acts of the Contractor or any contractor parties. The State shall give the Contractor reasonable notice of any such claims.
   (d) The Contractor’s duties under this section shall remain fully in effect and binding in accordance with the terms and conditions of the Contract, without being lessened or compromised in any way, even where the Contractor is alleged or is found to have merely contributed in part to the Acts giving rise to the claims and/or where the State is alleged or is found to have contributed to the Acts giving rise to the claims.
   (e) The Contractor shall carry and maintain at all times during the term of the Contract, and during the time that any provisions survive the term of the Contract, sufficient general liability insurance to satisfy its obligations under this Contract. The Contractor shall cause the State to be named as an additional insured on the policy and shall provide (1) a certificate of insurance, (2) the declaration page and (3) the additional insured endorsement to the policy to the Client Agency prior to the Effective Date of the Contract evidencing that the State is an additional insured. The Contractor shall not begin Performance until the delivery of these 3 documents to the Client Agency. State shall be entitled to recover under the insurance policy even if a body of competent jurisdiction determines that State is contributorily negligent.
   (f) This section shall survive the termination of the contract and shall not be limited by reason of any insurance coverage.

3. Sovereign Immunity:
The parties acknowledge and agree that nothing in this Contract shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of this Contract. To the extent that this section conflicts with any other section, this section shall govern.
4. Forum and Choice of Law:
The parties deem the Contract to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the contract to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue, the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The Contractor waives any objection which it may now have or will have to the laying of venue of any claims in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.

5. Termination:
(a) Notwithstanding any provisions in this contract, the College, through a duly authorized employee, may terminate the contract whenever the College makes a written determination that such termination is in the best interests of the State. The College shall notify the Contractor in writing of termination pursuant to this section, which notice shall specify the effective date of termination and the extent to which the Contractor must complete its performance under the contract prior to such date.
(b) Notwithstanding any provisions in this contract, the College, through a duly authorized employee, may, after making a written determination that the Contractor has breached the contract, terminate the contract in accordance with the following breach provision.
   i. Breach. If either party breaches the contract in any respect, the non-breaching party shall provide written notice of the breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) days from the date that the breaching party receives the notice. In the case of a Contractor breach, any other time period which the College sets forth in the notice shall trump the ten (10) days. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure but the nature of the breach is such that it cannot be cured within the right to cure period. The notice may include an effective contract termination date if the breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the termination date, no further action shall be required of any party to effect the termination as of the stated date. If the notice does not set forth an effective contract termination date, then the non-breaching party may terminate the contract by giving the breaching party no less than twenty four (24) hours’ prior written notice. If the College believes that the Contractor has not performed according to the contract, the College may withhold payment in whole or in part pending resolution of the performance issue, provided that the College notifies the Contractor in writing prior to the date that the payment would have been due.
(c) The College shall send the notice of termination via certified mail, return receipt requested, to the Contractor at the most current address which the Contractor has furnished to the College for purposes of correspondence, or by hand delivery. Upon receiving the notice from the College, the Contractor shall immediately discontinue all services affected in accordance with the notice, undertake all College all records. The records are deemed to be the property of the College and the Contractor shall deliver them to the College no later than thirty (30) days after the termination of the contract or fifteen (15) days after the Contractor receives a written request from the College for the records. The Contractor shall deliver those records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to, ASCII or .TXT.
(d) Upon receipt of a written notice of termination from the College, the Contractor shall cease operations as the College directs in the notice, and take all actions that are necessary or appropriate, or that the College may reasonably direct, for the protection, and preservation of the goods and any other property. Except for any work which the College directs the Contractor to perform in the notice prior to the effective date of termination, and except as otherwise provided in the notice, the Contractor shall terminate or conclude all
existing subcontracts and purchase orders and shall not enter into any further subcontracts, purchase orders or commitments.

(e) The College shall, within forty-five (45) days of the effective date of termination, reimburse the Contractor for its performance rendered and accepted by the College in accordance with the terms of this contract, in addition to all actual and reasonable costs incurred after termination in completing those portions of the performance which the notice required the Contractor to complete. However, the Contractor is not entitled to receive and the College is not obligated to tender to the Contractor any payments for anticipated or lost profits. Upon request by the College, the Contractor shall assign to the College, or any replacement Contractor which the College designates, all subcontracts, purchase orders and other commitments, deliver to the College all records and other information pertaining to its performance, and remove from State premises, whether leased or owned, all of Contractor’s property, equipment, waste material and rubbish related to its performance, all as the College may request.

(f) For breach or violation of any of the provisions in the section concerning representations and warranties, the College may terminate the contract in accordance with its terms and revoke any consents to assignments given as if the assignments had never been requested or consented to, without liability to the Contractor or Contractor parties or any third party.

(g) Upon termination of the contract, all rights and obligations shall be null and void, so that no party shall have any further rights or obligations to any other party, except with respect to the sections which survive termination. All representations, warranties, agreements and rights of the parties under the contract shall survive such termination to the extent not otherwise limited in the contract and without each one of them having to be specifically mentioned in the contract.

(h) Termination of the contract pursuant to this section shall not be deemed to be a breach of contract by the College.

6. Entire Agreement:
This written contract shall constitute the entire agreement between the parties and no other terms and conditions in any document, acceptance or acknowledgment shall be effective or binding unless expressly agreed to in writing by College. This contract may not be changed other than by a formal written contract amendment signed by the parties hereto and approved by the Connecticut Attorney General.
