- You should also consider using unrestricted electives to meet foreign language requirements at Central, Eastern and Western Connecticut State Universities or to begin work on completing a minor.
- Central Connecticut State University will require that you complete a minor by earning at least 18 credits in one area outside your major field; you must complete at least 9 of those minor credits at Central.
- You can also complete other General Education requirements for CCSU, SCSU, WCSU, and COSC—but not ECSU.
- You are encouraged to meet with your advisor to determine which courses to select.

**Students who transfer to SCSU will use PSY 111 to fulfill a SCSU General Education requirement and have only the Capstone requirement left—unless they use PSY 111 to fulfill a *community college* General Education requirement. In that case, they will have an additional LEP requirement at SCSU.
