WHEREAS, A “Resolution concerning Refund Policy for Academic Year Housing Contracts” was passed by the Board of Regents at their February 19, 2013 meeting because the existing Resolution concerning the tuition and fee refund policy (BR #10-37) did not address the handling of refunds for housing contracts covering the full academic year, and

RESOLVED the Housing and Board Refund Policy set forth in the Attachment to this Resolution is effective for Academic Year 2015-16 and following for those institutions that adopt full-academic year housing contracts.
Housing and Board Fee Refund Policy

In accordance with the Higher Education Amendments of 1998 (Public Law 105-244), the Federal government mandates that students receiving Title IV assistance who withdraw from all classes may only keep the financial aid they have “earned” up to the time of withdrawal. Title IV funds that were disbursed in excess of the earned amount must be returned by the University and/or the student to the Federal government. This could result in the student owing funds to the University, the government, or both. The amount of unearned aid to be returned is based on the percentage of enrollment period completed.

The refund policy below excludes the effect of the return of Title IV funds. Students receiving Federal aid should consult with their university Bursar or Financial Aid office prior to withdrawal in order to determine the financial impact that the return of Title IV funds will have upon the student.

E. Students who are not approved to have their Housing Contract cancelled shall remain responsible for the fees associated with the duration of their Housing Contract and retain the right to occupy their assigned room.

F. Students who have their Housing Contract cancelled for the convenience of the university will not be required to pay any housing fee associated with the contract period.

G. Students who have their Housing Contract cancelled for judicial/disciplinary reasons will be responsible for paying for the duration of the semester in which their contract was cancelled and are not entitled to a refund.

2. Housing Contract Cancellation Review Process:
   A. The Vice President for Student Affairs (or Vice President to whom Residence Life reports) at each university will establish a process to review and decide upon student requests to cancel their housing contract when the student does not meet any of the conditions identified in 1B above and the student requests relief from their obligation to pay the full academic-year housing fee.

   B. Under the process, each university may define conditions under which it will waive or refund any portion of the housing fee, with the exception of the housing deposit. In cases where the Committee agrees to cancel the housing contract during the fall term (or first term of occupancy), the student forfeits their housing deposit.

3. The University President may defer or waive the collection of the Admissions and/or housing deposit in extenuating circumstances.

2015 BOR Meeting Schedule (Exhibit B attached hereto)

ACADEMIC & STUDENT AFFAIRS COMMITTEE

Following ASA Committee Chair Merle Harris’ response to Regent Greco’s inquiry, on a motion by Regent Harris, with a second by Regent Lappen, the following resolution approving the BOR Policy on FERPA and Directory Information was unanimously approved.

WHEREAS, The Board of Regents in accord with the Connecticut State Colleges and Universities comprised of seventeen institution and a System Office, is committed to protecting the privacy of its students, and disclosing student information only as consented to or otherwise acceptable under the Family Educational Rights and Privacy Act (FERPA); and

WHEREAS, The Code of Federal Regulations Title 34 Section 99.1 requires that each education agency or institution provide students with notice of the rights under FERPA including the right to inspect and review records; amend records believed to be inaccurate; consent to the disclosure of records; and instruct on procedures to file complaints; and the ability to opt out of directory information; and

WHEREAS, The Code of Federal Regulations Title 34 Section 99.31 describes conditions under which consent is not required to disclose information and those conditions include but are not limited to school officials and directory information; and

WHEREAS, CSCU in working systematically needs to access directory information within its system, but not with the public at large;

WHEREAS, The Board of Trustees of the Community Colleges had approved Policy 5.7 Notification of Rights under the Family Educational Rights and Privacy Act (FERPA) amended 2010 and each of the State Universities maintained their own procedures with respect to managing directory information and notice requirements; therefore be it

RESOLVED, That the Board of Regents rescinds the Community College Board of Trustees Policy 5.7 and supplants the State Universities internal procedures; be it

RESOLVED, That the Board of Regents approves and adopts the Family Education Rights and Privacy Act Notice and Directory Information Policy.

Family Educational Rights and Privacy Act (FERPA) Notice and Directory Information Policy

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College or University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official,
written requests that identify the record(s) they wish to inspect. The College or University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College or University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request amendment of an education record that the student believes is inaccurate. Students may ask an appropriate College or University official to amend a record that they believe is inaccurate. However, FERPA is not intended to provide a process to question substantive judgments that are correctly recorded. Consequently, FERPA amendment requests do not allow a student to contest a grade in a course because the student believes that a higher grade should have been assigned.

To request amendment of an education record, the student should write to the official, clearly identifying the part of the record he or she wants changed and specifying why he/she believes it is inaccurate. The institution will notify the student of the decision. If the institution decides not to amend the record as requested by the student, a College or University official will advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the College or University discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. FERPA permits disclosure without a student’s prior written consent under the FERPA exception for disclosure to school officials who have a legitimate educational interest. A “school official” is a person employed by a College or University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Regents; an employee of the Board of Regents System Office; or, a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of the College or University who performs an institutional service or function for which the College or University would otherwise use its own employees and who is under the direct control of the College or University with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College or University.

Upon request, the College or University also discloses education records to officials of another school in which a student seeks or intends to enroll without the prior consent of, or notice to, the student.

FERPA also permits disclosure of education records without consent in connection with, but not limited to:

- To comply with a judicial order or a lawfully issued subpoena;
- To appropriate parties in a health or safety emergency;
- In connection with a student's request for or receipt of financial aid, as necessary to determine the eligibility, amount or conditions of the financial aid, or to enforce the terms and conditions of the aid;
- To certain officials of the U.S. Department of Education, the Comptroller General, to state and local educational authorities, in connection with certain state or federally supported education programs;
- To accrediting organizations to carry out their functions;
- To organizations conducting certain studies for or on behalf of the College or University;
• The results of an institutional disciplinary proceeding against the alleged perpetrator of a crime of violence to the alleged victim of that crime with respect to that crime.
• Directory information as defined in the policy of the Board of Regents.

4. **The right to refuse to permit the College or University to release Directory Information** about the student, except to school officials with a legitimate educational interest and others as indicated in paragraph 3 above. To do so, a student exercising this right must notify the University's or College's Registrar, in writing. Once filed, this notification becomes a permanent part of the student's record until the student instructs the University or College, in writing, to remove it. A student may exercise his or her right to opt out of Directory Information, prohibiting disclosure of the student's information without the student's consent as noted in section 3, except however, that pursuant to the Solomon Amendment, military recruiters must be provided the same access to student information as is provided to nonmilitary recruiters.

5. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by Colleges to comply with the requirements of FERPA.** The name and address of the Office that administers FERPA is:

   **Family Policy Compliance Office**
   U.S. Department of Education
   400 Maryland Avenue, SW
   Washington, DC 20202-4605

**Directory Information Policy**

**AUDIT COMMITTEE**

Audit Committee Chair Craig Lappen advised the Audit Committee met on Tuesday, December 9th, and heard the final report on the audit of CSUS 2020 Project Expenditures for FY2014 from Blum Shapiro, CSUS 2020 independent auditors. Blum Shapiro issued an
unmodified opinion, or what is commonly referred to as a “clean opinion”, on the schedule of CSUS 2020 Construction Expenditures. They confirmed that they were given full and complete access to the books, records and management of the System Office and that of the four universities, and also met with the Department of Public Safety. Blum Shapiro also noted that there were no material control weaknesses or significant deficiencies identified during their audit.

The Audit Committee also heard the final report on the combined audit of Charter Oak State College and the Connecticut Distance Learning Consortium for FY2014 from independent auditors O’Connor & Drew. This year is the first year a combined statement has been prepared. O’Connor & Drew also issued a “clean” opinion. They confirmed that they were given full and complete access to the books, records and management of Charter Oak and CTDLC. O’Connor & Drew also noted that there were no material control weaknesses or significant deficiencies identified during their audit.

The Audit Committee next met with representatives of PricewaterhouseCoopers on the completion of their audits of the fiscal year 2014 Financial Statements for both the Connecticut State University System and the Community Colleges.
- PwC confirmed their independence and that their audits were performed in accordance with auditing standards generally accepted in the U.S.

- PwC issued unmodified, or clean, opinions on both financial statements

- PwC confirmed that they were given full and complete access to the books, records and management of the System Office, that of the four universities and twelve community colleges

- A high level review of information systems internal control matters was performed at all four universities, and at the System Office

- There were no unadjusted audit differences and no disagreements with management

As is their practice, PwC also issued their Report to Management with recommendations to improve internal controls in certain areas.
There were no material control weaknesses, but 3 significant deficiencies related to CHEFA Continuing Disclosure Requirements, Accounting for Debt Reserve Funds and financial reporting

There were four control comments, relating to review of Banner user access rights, accrued compensated absences, accounting for leases and business continuity plans

Management agreed with these findings and provided correction actions to each comment in the report.

The Audit Committee reviewed Dr. Gray’s expenses to-date and found them to be acceptable. Committee members also heard a report from the Director of Internal Audit regarding the financial aid audit at Norwalk Community College and were updated on Internal Audit department activities.

The Audit Committee reviewed the four audited financial statements with the respective audit firms and management, as well as the audited Foundation financial statements associated with each of our institutions, and in accordance with the Committee charter has accepted these reports.

FINANCE AND INFRASTRUCTURE COMMITTEE

Finance and Infrastructure Committee Chair Matt Fleury provided a brief overview of the Committee’s review of the CSCU 2020 update and the FY15 Rescission projection. On a motion by Regent Cohen, seconded by Regent Price, the following resolution was unanimously approved:

WHEREAS, Naugatuck Valley Community College (NVCC) established and has continuously operated a satellite campus in Danbury since the early 1990s, and

WHEREAS, the NVCC Danbury Campus (Danbury Center) growth has remained steady since it opened, and

WHEREAS, credit classes have been offered since the spring 2009 semester, and

WHEREAS, growth of the fall 2014 FTE of 552 and total head count of 1,112 is limited due to space restrictions, and
