RESOLUTION

RESOLVED, That the Dean of Personnel Administration receive an adjustment to salary for the assumption of additional responsibilities.

JUSTIFICATION: (Use Reverse Side If Additional Space Is Needed)

With Roger Bergh having provided valuable assistance in overseeing Southern's Division of Student Affairs and the Department of Campus Police (in addition to his regular duties as Dean of Personnel Administration) during the past two years, and with Dean Bergh having formally supervised these other major areas of responsibility since June of 1986, (see attached organization chart) an appropriate salary adjustment is recommended. Please note finally that an administrative review is contemplated regarding an appropriate title and corresponding salary for Dean Bergh's position (which includes Personnel Administration, Student Affairs, Campus Police, and possible other new areas of responsibility). In the interim, however, Dean Bergh should not continue to perform the additional assigned duties without an adjustment to salary. Accordingly, this recommendation has been submitted to the Central Administration and Board of Trustees.
