FOR SOCIAL WORK PROFESSIONALS WHO PROVIDE SERVICES  
IN THE CLINICAL EXPERIENCE OF SOCIAL WORK INTERNS

February 3, 1995

- WHEREAS, Social Work programs require degree candidates to have field education experiences, and
- WHEREAS, Social Work professionals associated with schools and agencies which have agreements with the universities in the Connecticut State University System to provide field education experiences for students make important contributions to the students' education by supervising, instructing, advising, and evaluating the students and also by consulting with and advising university faculty regarding the nature of the Social Work program, and
- WHEREAS, Such Social Work professionals typically serve university students without compensation from the university, and
- WHEREAS, It is appropriate for the Connecticut State University System, in conformity with practice elsewhere in higher education, to recognize the contributions of such professionals by granting them honorary clinical titles, therefore, be it
- RESOLVED, That the Board of Trustees of the Connecticut State University System authorizes the establishment of the following honorary clinical titles:
- Clinical Instructor of Social Work  
Clinical Assistant Professor of Social Work  
Clinical Associate Professor of Social Work  
Clinical Professor of Social Work and be it
- RESOLVED, That upon recommendation of the Social Work faculty and the appropriate dean, such titles may be conferred by the university president or the president's designee on Social Work professionals who satisfy the criteria for appointment specified in the attachment hereto, and be it

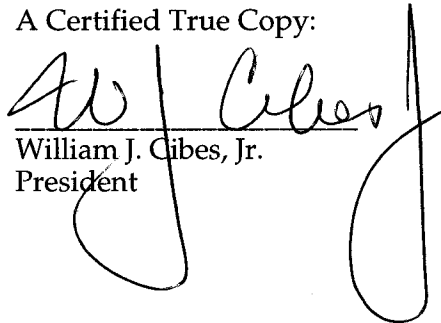

RESOLVED, That holders of the above clinical titles shall receive no pay from the university, shall not earn tenure in such titles nor by service in such titles accrue service toward tenure in any title, and shall not be entitled to the privileges of faculty appointment other than those specifically designated by the university president or president's designee, and be it

RESOLVED, That the scope of appointment to such titles shall be strictly confined to those professional acts which are directly related to the field instruction, advisement, and evaluation of Social Work students in the field setting and to consultation with the university Social Work faculty regarding the nature of the degree program, and be it

RESOLVED, That the term of appointment to such titles shall be for a maximum of three years with the option to renew by action of the campus president or president's designee.
