**Explain the Nature of the Proposal:**

To reclassify the position of Inventory Control Coordinator, Administrator III, to Inventory/Stores Coordinator, Administrator IV, to reflect an increase in duties and responsibilities.

**Justification:**

In order to increase productivity through the elimination of duplication of efforts, and to reduce capital tied up in the warehouses, the Coordinator's responsibilities will be expanded to include the management of the University's two Stores warehouses. Duties will include the development, implementation and updating of a centralized, automated Stores management operation; compilation, revision and distribution of supply catalogues; reorganization and management of the stores operations; and development of inventory security. Further, to maintain an accurate accounting of campus inventory, this position will oversee the activities of the campus Moving Crew.

**Cost or Savings:**

$4,479

**Signed (University):**

**Date:** 1-23-90
SUPERVISOR: Associate Dean for Administrative Affairs

POSITION SUMMARY:
Develop and coordinate the agency real and personal property inventory system, policies and procedures.

POSITION RESPONSIBILITIES:
Responsible for the management of the University's Stores warehouses.
Develop and manage a new Store Supplies Management System.
Take annual inventory. Reconcile results with existing property control records.
Establish property and inventory accountability at the department level.
Develop and maintain a fully automated inventory system.
Prepare and submit the Annual Report of all real and personal property to the State Comptroller as required by state statute.
Report all losses and/or damages as required by state statutes and regulations.
Prepare and submit such annual inventory reports as may be required by the Connecticut State University administration.
Prepare and submit lists of obsolete equipment to State Surplus for disposal.
Responsible for permanently affixing state tags to all new equipment and any existing equipment when inventory tags may be missing.
Oversee activities of the campus moving crew.
Perform other duties and responsibilities related to those enumerated above which do not alter the basic level of responsibility of the position.

EDUCATION AND EXPERIENCE:
Bachelor's degree required, Master's degree preferred. At least three years' direct experience with large, fully computerized property control system. Ability to communicate well verbally and in writing with all levels of management. These qualifications may be waived for individuals with appropriate alternate experience.
