Career Development Icebreaker

- On a piece of paper, write **what you wanted to be when you grew up** when you were a kid at the very **TOP** of the page.

- On the very **BOTTOM** of the page, write down your **CURRENT CAREER** aspiration.

**Breakout session questions:**

- Has your career aspiration stayed the same? Why or why not?
- If your career aspiration changed or stayed the same, what happened in the middle of the page (over time)?
- What influenced your decision to change your mind or keep your career goal the same?
- What was the biggest factor that influenced your career decision?

**Group Discussion:**

- Talk about what influences career decision making: career research, hands on experience, evaluating interests, taking advantage of opportunities, knowing self more, etc.
