Term in Epoch	The field 'Term in Epoch' provides a sequential numbering of terms starting with the Spring term of 1995 and counting up one for each subsequent term: spring, summer, fall, winter. 'Term_in_Epoch' = 1 = Spring of 1995, Ex. spring 95 = 1, spring 1996 = 5, spring 2013 = 73. If a school does not utilize a particular term - such as winter, that number is skipped for that institution.	all	CC & CSU	SFSF (c) 12, America Competes & HECC Accountability Report	descriptive information helpful with analysis
Overall Earned Academic Credits	CSU: Cumulative number of academic credit hours completed prior to current semester (including transfer and awarded by examination) CSU = Systrdn_cum_Academic Credits CC: This field was derived to provide the number of credit hours a student has earned overall. (It does not include remedial/developmental hours. It does include transfer and institutional credits.)	all	CC & CSU	SFSF (c) 12, America Competes & HECC Accountability Report	Necessary to answer a component of SFSF question that requires the number and percentage (including numerator and denominator) who complete at least one year's worth of college credit (applicable to a degree) within two years of enrollment in the IHE. 1 year of credit is considered 24 credits, so analysis will need to look for the term when credits exceed 24.
