## DATA DESTRUCTION CERTIFICATE

This form is completed in order to document that the unit record data received through P20 WIN has been destroyed. Data destruction is required at the end of an approved audit or evaluation or in the event of a termination of the Memorandum of Agreement for a P20 WIN Data Request. In the case of an approved audit or evaluation, the timeframe by which unit record data must be destroyed is determined and approved by the P20 WIN Data Governing Board. The Data Destruction Certificate must be completed and provided to the P20 WIN System Administrator within 3 working days of the destruction of data. The Approved Requestor shall retain the original certificate for a period of one year after its submission to the Board.
