The Board of Regents for Higher Education, on behalf of the Connecticut Community Technical Colleges, the Connecticut State University System and Charter Oak State College and the Connecticut Department of Labor ("DOL") are parties to the original Memorandum of Agreement (the "MOA") last dated January 14, 2015. As a point of clarification, the Connecticut State Colleges and Universities ("CSCU") and the DOL are parties in this Amendment #2 ("Amendment") on the terms and conditions set forth in the MOA, as modified by this Amendment. The parties agree to modify the MOA as follows:

In all cases no CSCU data will be included in the data match unless CSCU has approved the inclusion of CSCU data before the data request is processed and CSCU has approved the individual(s) or entities that have authority to access to the resulting data set.

2. Section III is amended to read, in its entirety, as follows:
   Participation in P20 WIN:

The P20 WIN Data Request Management Procedure, and the P20 WIN Data Governance Policy, as may be amended from time to time by the P20 WIN Executive Board, attached hereto as Appendix D, are hereby incorporated by reference such that their provisions are made terms and conditions of this Agreement. The Participating Agencies will abide by policies, including the assignment of additional obligations, adopted by the P20 WIN Executive Board.
3. Section V.B. is amended to read, in its entirety, as follows:
Unless it objects thereto, CSCU will provide DOL with the data necessary to match data for approved data requests using data fields identified in Appendix A, as amended from time to time by the P20 WIN Data Governing Board. CSCU will participate in the P20 WIN Data Governing Board to develop and implement policies for P20 WIN management.

4. Integration Provision. Except as expressly modified by this amendment, the MOA will remain in full force and effect in accordance with its terms. If there is conflict between this amendment and the MOA or any earlier amendment, the terms of this amendment will prevail.
