CSCU Working Group Charge

Specialized Accredited Programs

Group Name: Specialized Accredited Programs

Group Charge:

- To collect accreditation data on specialized accredited programs in the CT-Community College System.
- To determine the impact of consolidation on the specialized accredited programs based on information from the accrediting agencies.
- To inform regional and local partners of the impact of consolidation on the specialized accredited programs.
- To assess the impact of consolidation on articulation agreements.
- To inform the Board of Regions of resources and costs needed for the specialized accredited program faculty to complete required substantial change and/or self-study reports.
- Ascertain which programs might be at risk of losing accreditation because of the consolidation.

Group Leaders: Nancy LaRoche-Shovak (MCC-PC Respiratory Care Program and member of the SF-ASACC) and Sheila Solernou (GCC-Division Director, Allied Health & Nursing and member of the SF-ASACC.)

Group Members: Members include faculty of specialized programs in the CT-Community College System.

Charged by Jane Gates,

CSCU Provost and Senior VP Academic & Student Affairs
