Students exclusively auditing courses are not included in these counts

Important note about race/ethnicity. The method for collecting and reporting race and ethnicity changed in 2010 and figures are not comparable to previous years. Re-surveying procedures and change in the number of students categorized as race/ethnicity unknown may contribute significantly to observed changes. Interpret data with caution.

Students exclusively auditing courses are not included in these counts

Important note about race/ethnicity. The method for collecting and reporting race and ethnicity changed in 2010 and figures are not comparable to previous years. Re-surveying procedures and change in the number of students categorized as race/ethnicity unknown may contribute significantly to observed changes. Interpret data with caution.
