TRANSFER TICKET

CSCU Pathway Transfer Degree: Mathematics Studies, A.A.
Capital Community College
Catalog Year 2021-22

Previous catalog years:
2016/17
2017/18
2018/19
2019/20
2020/21

Campus contact for this program: Professor Michael Proulx, mproulx@ccc.commnet.edu

These requirements are effective if you declared the Transfer Ticket CSCU Pathway Transfer Degree: Mathematics Studies, A.A. major for the 2016/17 through 2021/22 academic year.

With this degree you will be able to transfer to the following majors. Follow this link for important information about when and how to apply for transfer to a State University or Charter Oak State College.

At Central Connecticut State University:
- Mathematics, B.A.
- Mathematics, B.A.—Actuarial Science Specialization
- Mathematics, B.A.—Statistics Specialization

At Eastern Connecticut State University:
- Mathematics, B.A.

At Southern Connecticut State University:
- Mathematics, B.A.
- Mathematics, B.S.—Concentration: Applied

At Western Connecticut State University:
- Mathematics, B.A.
- Mathematics, B.A.—Computer Science Option

Here is the recommended course of study for the CSCU Pathway Transfer Degree: Mathematics Studies, A.A. If you are studying part time, simply follow the order of the courses listed here. Note that not all courses will be available every semester. You will notice that in many instances you will be able to choose the specific course you will take from within a category. For a list of the courses from each category that you can choose from, go to Appendix (PDF).

First Semester: 14 credits

<table>
<thead>
<tr>

Revised 03/29/2021
Begin the transfer application process in your third semester or the semester before you plan to graduate. FAFSA becomes available October 1.

Third Semester:

16 credits

- MAT 256 Calculus II 4 credits
- CSC 105 Programming Logic 3 credits
- Choose one Social Phenomena I course 3 credits
- Choose one Historical Knowledge and Understanding course 3 credits
- Unrestricted Elective* 3 credits

During your last semester at CCC, apply for graduation by the dates found here.

Fourth Semester:

16-17 credits

- MAT 268 Calculus III: Multivariable** 4 credits
- Choose one from 3-4 credits
  - MAT 272 or 274 Linear Algebra**
  - MAT 285 or 286 Differential Equations**
  - MAT 287 Foundations of Mathematics**
- Choose one Aesthetic Dimensions II course 3 credits
- Choose one Social Phenomena II course 3 credits
- Unrestricted Elective* 3 credits

**CCC does not offer these courses. In order to complete the Mathematics Studies CSCU Pathway Transfer Degree at CCC, you will need to take these courses online or at another campus. These options might have prerequisites for these courses that will need to be taken into account using your Unrestricted Electives. Your advisor will be able to help you determine which courses to take.

Here is another way to look at the degree, by requirements

General Education Requirements: 33 credits

Unless a course is specifically designated, such as ENG 101 Composition for Written Communication I, you will have a choice about which course you take. For a list of the courses from each category that you can choose from, go to Appendix (PDF).

Written Communication I: ENG 101 Composition 3 credits

Written Communication II (select one): 3 credits

Scientific Reasoning (select one):
- BIO 121 General Biology I 4 credits
- CHE 121 General Chemistry I
- PHY 121 General Physics I

Scientific Knowledge and Understanding (select one in the same sequence as Scientific Reasoning):
- BIO 122 General Biology II 4 credits
- CHE 122 General Chemistry II

Revised 03/29/2021
PHY 122 General Physics II

Quantitative Reasoning (select one):
MAT 186 Pre-Calculus***

Historical Knowledge and Understanding (select one):

Social Phenomena I (select one):

Social Phenomena II (select one):

Aesthetic Dimensions I (select one):

Aesthetic Dimensions II (select one):

Major Program Requirements: 18-19 credits

MAT 254 Calculus I
MAT 256 Calculus II
MAT 268 Calculus III: Multivariable**
Choose one from
MAT 272/274 Linear Algebra**
MAT 285/286 Differential Equations**
MAT 287 Foundations of Mathematics**
CSC 105 Programming Logic

Unrestricted Electives:* 9 credits

*You are free to choose any courses at or above 100-level to complete unrestricted electives, although you may need to use these credits to take courses that prepare you for required courses in the degree program. You should also consider using unrestricted electives to meet foreign language requirements at Central, Eastern and Western Connecticut State Universities or to begin work on completing a minor. Central Connecticut State University will require that you complete a minor for the general math degree (not for the Actuarial Science or Statistics Specializations) by earning at least 18 credits in one area outside your major field; you must complete at least 9 of those minor credits at Central. You can also complete other General Education requirements for CCSU, SCSU, WCSU, and COSU; and up to two additional General Education requirements for ECSU. You are encouraged to meet with your advisor to determine which courses to select.

**CCC does not offer these courses. In order to complete the Mathematics Studies CSCU Pathway Transfer Degree at CCC, you will need to take these courses online or at another campus. These options might have prerequisites for these courses that will need to be taken into account using your Unrestricted Electives. Your advisor will be able to help you determine which courses to take.

***If a student has a placement above pre-calculus, the student will be able to use Calculus I for Quantitative reasoning and will have an additional three to four credits of open electives.

CSCU Pathway Transfer Degree: Mathematics Studies, A.A. Total: 60-61 credits

In order to graduate and be guaranteed admission to a State University or to Charter Oak State College, you must earn an overall 2.0 grade point average.

SCSU requires a GPA of 2.0 in Mathematics courses applied toward the major, and no more than one grade below C- in courses applied toward the major.

WCSU requires a C or better in MAT 254, MAT 256, and MAT 268.

Revised 03/29/2021
