These requirements are effective if you declared the Transfer Ticket: CSCU Pathway Transfer Degree: Physics Studies. A.A. major for the 2017/18 through 2021/22 academic years.

With this degree you will be able to transfer to the following majors. Follow this link for important information about when and how to apply for transfer to a State University or Charter Oak State College.

At Central Connecticut State University: Physics, B.S.
At Southern Connecticut State University: Physics, B.S.
Physics, B.A.

Here is the recommended course of study for the CSCU Pathway Transfer Degree: Physics Studies, A.A. If you are studying part time, simply follow the order of the courses listed here. Note that not all courses will be available every semester. You will notice that in many instances you will be able to choose the specific course you will take from within a category. For a list of the courses from each category that you can choose from, go to Appendix (PDF).

First Semester: 14-15 credits

**Unrestricted Electives:**

- **3 credits**

*If you have not taken Physics in high school, you should use this elective to take PHY 110 Introductory Physics.*

*You are free to choose any courses at or above 100-level to complete unrestricted electives, although you may need to use some these credits to take a math course that prepares you for the required level of math in your program. You should also consider using unrestricted electives to begin work on completing a minor. Central Connecticut State University will require that you complete a minor by earning at least 18 credits in one area outside your major field; you must complete at least 9 of those minor credits at Central. You can also complete other General Education requirements for Central, Southern and Western Connecticut State Universities and Charter Oak State College—but not Eastern Connecticut State University. Your advisor will help you to determine which courses to select.*

**CSCU Pathway Transfer Degree: Physics Studies, A.A. Credit Total: 61-62 credits**

In order to graduate and be guaranteed admission to a State University or to Charter Oak State College, you must earn an overall 2.0 grade point average.
