

**Special Meeting of the State of CT
Faculty Advisory Committee to the Board of Regents for Higher Education
Agenda, Aug. 7, 1pm, OnLine**

The special meeting of the Faculty Advisory Committee which we called for at the last meeting of the FAC will be held this Friday, Aug. 7 at 1pm.

The link to join the meeting is below. Please confirm your attendance. The agenda is as follows:

1. Adoption of the Agenda
2. Report from the Chair and Vice-Chair
3. Plans for Reopening CSCU campuses for the Fall term
4. College and Career Success course (CCS101)
5. Adjournment and next regular meeting

The Chair and Vice-Chair propose the following resolution in item (3):

Resolved: that the FAC approves the following recommendations be added to the guidances for reopening CSCU campuses:

1. extending virus testing beyond residential students to all students, faculty and staff and establishing a consistent schedule of testing throughout the semester. (see Courant's July 30th article on testing plan at Yale and Wesleyan for contrast)
2. establishing point of entry monitoring at academic buildings for face masks, temperature reading, and hand sanitizing; accommodations for those with conditions that prevent them from mask-wearing must not place others at risk.
3. respecting faculty preferences for mode of course delivery, and staff preferences for telecommuting; Special consideration must be afforded to those over 65, given the specific nature of our college populations. Presence on campus should continue to be at faculty/staff discretion as conditions change throughout the semester.
4. procedures for contact tracing, criteria for shutdown and move to remote learning, and conditions for reopening should be made clear. Method of communication about the details of any such shutdown or reopening must be clarified.
5. Reports on the adequacy of ventilation systems must be provided for each building that will be used on each campus and discrepancies addressed to ensure equal access to a safe working environment for both faculty and staff.
